

Listen To Thyself a holistic collaborative offers:

Calling All Souls ~ An evening of spirit connection ~

Hosted by Diane Marie Ford, Spirit Medium

***Yes my dear, we can talk to the dead...
me to bring your loved ones through.***

allow

My mother, Leah, and I were extremely close and very psychically connected when she was among the living. The telephone would ring and I intuitively would know she was on the other end of the line and vice versa.

She left this earth plane almost 13 years ago and, strange as it may sound, I am closer to her now than I ever have been. Today she is my number one "go to" spirit guide and greatest ally.

It is my intention to help you connect with and develop a rich relationship with your "someone (or two, or three..) special" so you may live each day with the same knowing, comfort and guidance as I do.

We have all experienced the death of a loved one. If you are missing, grieving, or wondering about the well-being of that person or people, you will want to be present at this gathering of souls.

"The more the merrier!" Leah Ford
